Rooted in the Christian vision of the family as a “domestic church”, this recollection series invites you to a deeper awareness of who is mother and father to you and the roles they play. To behold is to look in awe and wonder, recognising and receiving these roles as gifts from God. Like a mother who tenderly nurtures and a father who encourages, comforts, and calls forth what is good (cf. 1 Thessalonians 2:7-12), reflect on how you have experienced these roles and how you can truly behold them in freedom and have life to the full.

Did you know that 1 in 4 marriages in Singapore ends before the 20th anniversary, with most breaking down between the 5th and 10th years? (Source: Singapore Department of Statistics) The main culprits? Communication breakdown, unresolved conflicts, parenting stress, and personality clashes. But here’s the good news—you can prevent these pitfalls by truly understanding your partner.
